*The Tragic Muse - Henry James*

**The Tragic Muse**  
Henry James (1843 - 1916)

Art or politics, this is the question Nick Dormer deals with in the course of this novel. Mirian Ruth, an aspiring actress, is the "tragic musé of the title. Her concerns are a bit different: would proper society accept her as an actress, or would she have to choose between giving up acting and marrying well? A large and interesting cast of secondary characters accompany them along the way, for good or bad. This novel is for lovers of Trollope and Dickens, while James's sharp and keen observations and wit are there at all times. Enjoy a stroll in the park listening to this overlooked masterpiece.
